Commission of Fine Arts 531

F

Federal Coal Mine Safety Board of Review 535
Forest Service, Department of Agriculture:
Access roads 689, 756
Budget, 1956, development of 780
Campgrounds, sanitation and care of 691, 726
Concessions, operation of 692
Cooperative range improvements 770
Fighting forest fires 693, 729, 783
Loss in manpower, effect of 698
Southern California forests 696, 703
Forest rangers, supervisors, and other multiple activity employees 728
Forest pests, control of 708, 732
Forest research 681, 717, 776, 782
Forest products laboratory 777
Timber resources 723
Watershed treatment, research in 721
Forest roads and trails 746
Grazing fees 682, 725
Land Management, relation to Bureau of 781, 783
Land utilization projects 730
Language changes 743
Motor vehicles and airplanes 742, 774
Oregon and California timberlands 736
Organization of 677
Personnel, number of 733
Protection and management of national forests 686
Range reseeding 739
Revenues, use of 735
Salaries and expenses 667, 679
State and private forestry cooperation 757
Agreements with States 769
Farm forestry program 762
Fire protection 759, 766
Non-Federal funds, source and use of 765, 767
Tree planting 761
Timber cut, areas of increased 688
Timber sales 685, 724
Timber resource management 705
White pine blister rust control 707

I

Indian Claims Commission 573
Interior, Department of the:
Administration, Department of the Interior 507
Employees of the Department of the Interior, total 515
Safety engineer, need for 512, 513, 514, 515
Appropriations, 1955 compared with budget for 1956 20
Fish and Wildlife Service 446
Administrative expenses 497
New positions 499
Alaska:
Fish and wildlife resources in 463
Game laws, enforcement of 466

Interior, Department of the—Continued
Fish and Wildlife Service—Continued Page
Construction 488
Hatcheries:
Cortland, N. Y., hatchery 495
Frankfort, Ky., hatchery 491, 495
Improvement of 472, 475
Millen, Ga., hatchery 490, 491
Quilcene, Wash., fish traps 495
Unobligated balances 496
Crab Orchard industrial unit 459
Distribution of funds by programs 447
Funds transferred from Corps of Engineers and Bureau of Reclamation 487
Investigations of resources 479
Achievements of research on fish and fisheries 482
Birds and mammals, research on 484
